

**THE ASSOCIATION OF ADVANCED
NURSING PRACTICE EDUCATORS (AANPE)**
Educational Networking for Advanced
Nursing (and Advanced Allied Health
Professions) Practice in the UK
<http://www.aanpe.org/>

**A NATIONAL COLLABORATIVE OF ADVANCED PRACTITIONER EDUCATORS
NETWORKING AND LINKING UNIVERSITIES THROUGHOUT THE UK
LINKED WITH INTERNATIONAL ADVANCED NURSING PRACTICE NETWORKS**

AANPE was formally established in 2005 and now has 180 members representing over 40 UK Universities. The Association offers an Annual Conference and AGM (free to members). AANPE is organised via an elected National Committee that meets quarterly.

An expert advisory group for consultation, professional advice, policy and regulatory development.

Establishing the role and status of Advanced Nurse Practitioners through interface with other Allied Health Professions.

Engaging in dialogue and lobbying with professional and statutory bodies, commissioners, employers and relevant government bodies.

Collaborative curriculum development and standard setting for Advanced Nurse Practitioner education across the four countries of the UK.

Collaboration between US and UK Advanced Nurse Practitioner education providers (USA NONPF, ICN, AANPE).

Sharing information on national and international developments that are pertinent to Advanced Nurse Practitioner education, and promoting best educational practice.

Networking, problem sharing, problem solving and mutual support.

For enquires regarding AANPE Membership and Fees visit our Website or contact:
